

Jehovah's Witnesses -- Seven Million In

Apostasy!!!

To ALL Jehovah's Witnesses & Interested Persons:

WHAT IS THE PUBLISHED OFFICIAL POSITION OF JEHOVAH'S WITNESSES TOWARD CHURCH ORGANIZATIONS BEING NGOs FOR THE UNITED NATIONS?

Saturday, December 8th, 2012:
Commemorating the Jewish Observance called the "Festival [or Feast] of Dedication" observed on the 9th Jewish month and 24th day. -- See Haggai 2:18-23; John 10:22

The following is the official policy, and the actual words Jehovah's Witnesses must speak in the door-to-door work to explain their position on churches being NGOs for the United Nations, if asked this question:

Taken From Study Article **Watchtower Magazine, June 1, 1991, p. 17, Their Refuge—A Lie**

Do You Remember This Issue of the Watchtower?

did when they rejected Christ. They have said, in effect, "We have no king but Caesar."—John 19:15.

9 Today, Jehovah's Witnesses warn that a flood of executional armies will soon sweep over Christendom. Moreover, they point to the true place of refuge from that flood. They quote Isaiah 28:16, which says: "This is what the Sovereign Lord Jehovah has said: 'Here I am laying as a foundation in Zion a stone, a tried stone, the precious corner of a sure foundation. No one exercising faith will get panicky.'" Who is this 'precious cornerstone'? The apostle Peter quoted these words and applied them to Jesus Christ. (1 Peter 2:6) If Christendom had sought peace with Jehovah's King, Jesus Christ, then she would have avoided the coming flash flood.—Compare Luke 19:42-44.

10 However, she has not done so. Instead, in her quest for peace and security, she insinuates herself into the favor of the political leaders of the nations—this despite the Bible's warning that friendship with the world is enmity with God. (James 4:4) Moreover, in 1919 she strongly advocated the League of Nations as man's best hope for peace. Since 1945 she has put her hope in the United Nations. (Compare Revelation 17:3, 11.) How extensive is her involvement with this organization?

11 A recent book gives an idea when it states: "No less than twenty-four Catholic organizations are represented at the UN. Several of the world's religious leaders have visited the international organization. Most memorable were the visits of His Holiness Pope Paul VI during the General Assembly in 1965 and of Pope John Paul II in 1979. Many religions have special invocations, prayers, hymns and services for the United Nations. The most important examples are those of the Catholic, the Unitarian-Universalist, the Baptist and the Bahai faiths."

9. (a) Who is warning Christendom today in the same way that Isaiah warned Judah? (b) To whom should Christendom turn?
10. What involvements has Christendom cultivated?
11. What representation does religion have at the UN?

ing the General Assembly in 1965 and of Pope John Paul II in 1979. Many religions have special invocations, prayers, hymns and services for the United Nations. The most important examples are those of the Catholic, the Unitarian-Universalist, the Baptist and the Bahai faiths."

HIGH HOPES VOICED FOR THE UNITED NATIONS
"For the first time since World War II the international community is united. The leadership of the United Nations, once only a hoped-for ideal, is now confirming its founders' vision. . . . The world can therefore seize this opportunity to fulfill the long-held promise of a new world order."
—President Bush of the United States in his State of the Union message to that nation, January 29, 1991

Vain Hopes for Peace
12 One of the world's most powerful political leaders echoed the hopes of many when he said: "This generation of people on earth may witness the advent of an irreversible period of peace in the history of civilization." Was he right? Do recent developments mean that the warnings Jehovah's Witnesses have issued concerning Jehovah's execution of judgment on the nations will not come true? Are Jehovah's Witnesses wrong?

13 No, they are not wrong. They know they are telling the truth because they put their trust in Jehovah and in the Bible, which is God's own Word of truth. Titus 1:2 says: "God . . . cannot lie." So they have full confidence that when a Bible prophecy says that a certain thing will happen, it will without fail come to pass.

12, 13. Despite widespread hopes that peace is on the horizon, why are Jehovah's Witnesses confident that their warnings are true?

THE WATCHTOWER—JUNE 1, 1991 17

AS NGO(S)

Copy of page 17 from the June 1st, 1991 Watchtower with key paragraphs about APOSTASY with THE United Nations shown above.

AGAIN, Taken From Study Article...**Watchtower Magazine, June 1, 1991, p. 17, Their Refuge—A Lie!**

10 However, she has not done so. Instead, in her quest for peace and security, she insinuates herself into the favor of the political leaders of the nations—this despite the Bible's warning that friendship with the world is enmity with God. (James 4:4) Moreover, in 1919 she strongly advocated the League of Nations as man's best hope for peace. Since 1945 she has put her hope in the United Nations. (Compare Revelation 17:3, 11) How extensive is her involvement with this organization?

11 A recent book gives an idea when it states: "NO LESS THAN TWENTY-FOUR CATHOLIC ORGANIZATIONS ARE REPRESENTED AT THE UN. Several of the world's religious leaders have visited the international organization. Most memorable were the visits of His Holiness Pope Paul VI during the General Assembly in 1965 and of Pope John Paul II in 1979. Many religions have special invocations, prayers, hymns and services for the United Nations. The most important examples are those of the Catholic, the Unitarian-Universalist, the Baptist and the Bahai faiths."

When the Watchtower Society stated above: "NO LESS THAN TWENTY-FOUR CATHOLIC ORGANIZATIONS ARE REPRESENTED AT THE UN," they were referring to twenty-four (24) NGOs maintained by the Catholic Church for the UN. Therefore, how can this be APOSTASY before Jehovah on the part of the Catholic Church and others being UN NGOs,

and NOT apostasy for the Watchtower Society & Jehovah's Witnesses, who were also voluntary NGOs for the UN for ten (10) years, all during the 1990s???

How can this be?

The above quote in paragraph 11 of the Watchtower, June 1st, 1991 article (noted above) is not credited by the Watchtower Society of course, but it most certainly appears to have been taken from the 1982 book, **NEW GENESIS: SHAPING A GLOBAL SPIRITUALITY** (ISBN # 1-680465-04-3) chapter 6, under the subheading, "Prayer And Meditation At The United Nations" by Robert Muller.

See the omitted part below, of the original quote from Robert Muller:

"PRAYER AND MEDITATION AT THE UNITED NATIONS"

-- By Robert Muller

"Prayer, meditation and spirituality at the UN are fascinating subjects. All major world religions are accredited to the United Nations AS NON-GOVERNMENTAL ORGANIZATIONS [NGOs]. For example, no less than twenty-four Catholic organizations are represented at the UN. Several of the world's religious leaders have visited the international organization. Most memorable were the visits of His Holiness Pope Paul VI during the General Assembly in 1965 and of Pope John Paul II in 1979. Many religions have special invocations, prayers, hymns and services for the United Nations. The most important examples are those of the Catholic, the Unitarian-Universalist, the Baptist and the Bahai faiths..."

(The UK's Guardian News publicly exposed the Watchtower Society's hidden UN-NGO status on Monday, October 8th, 2001 which resulted in the immediate-next day, voluntary withdrawal of the Watchtower Society from UN-DPI Association. See link: http://www.guardian.co.uk/uk_news/story/0,3604,565005,00.html)

When you make a close comparison of the two above quotes, you will clearly see the Watchtower LIFTED their quote from Mr. Muller's statement. And it is clear from reading the entire quote from Mr. Muller, he was specifically referring to United Nations NGO participation.

So according to the Watchtower Society, it is the UN-NGO status itself, that constitutes apostasy in God's eyes.

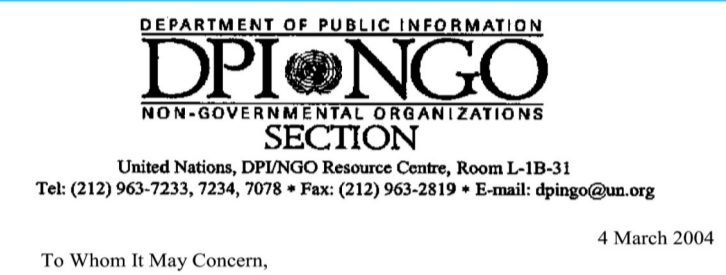

Thus in reality, all the while the Watchtower Society was condemning the Catholic Church for being NGOs with the United Nations, they themselves were at the SAME TIME hypocritically applying for membership as NGOs with the United Nations in the year of 1991! -- See Luke 12:1-3; Galatians 5:9 NWT.

(For more information on this scandalous situation, please see the 1994 book release called, **The "REPORT"** pages 205-211 under the subheading: "A Change in Viewpoint Concerning the United Nations," featuring the September 8th, 1991 Awake! shocking article on United Nations!)

On March 4, 2004, the United Nations Organization issued a public statement about the Watchtower Bible and Tract Society's direct involvement with the Department of Public Information as a NGO [or Non Governmental Organization], thus making Jehovah's Witnesses direct supporters of the United Nations Organization between the years of 1992 and 2001. This deliberate act, as taught by the Watchtower Society & Jehovah's Witnesses, automatically constitutes National "Apostasy" against God's Covenant. Thus, National "Atonement" is needed!!! (See Lev. 4:1-21; Daniel 11:30, "Scapegoat" Covenant.)

Recently the NGO Section has been receiving numerous inquiries regarding the association of the Watchtower Bible and Tract Society of New York with the Department of Public Information (DPI). This organization applied for association with DPI in 1991 and was granted association in 1992. By accepting association with DPI, the organization agreed to meet criteria for association, including support and respect of the principles of the Charter of the United Nations and commitment and means to conduct effective information programmes with its constituents and to a broader audience about UN activities.

In October 2001, the Main Representative of the Watchtower Bible and Tract Society of New York to the United Nations, Giro Aulicino, requested termination of its association with DPI. Following this request, the DPI made a decision to disassociate the Watchtower Bible and Tract Society of New York as of 9 October 2001.

Please be informed that it is the policy of the Department of Public Information of the United Nations to keep correspondence between the United Nations and NGOs associated with DPI confidential. However, please see below the paragraph included in all letters sent to NGOs approved for association in 1992:

- that the NGO share the principles of the UN Charter;
- operate solely on a not-for-profit basis;
- have a demonstrated interest in United Nations issues and a proven ability to reach large or specialized audiences, such as educators, media representatives, policy makers and the business community;

Page 2, of the OFFICIAL Public Statement from the United Nations about the Watchtower Society's involvement with the UN as a NGO.

- have the commitment and means to conduct effective information programmes about UN activities by publishing newsletters, bulletins and pamphlets, organizing conferences, seminars and round tables; and enlisting the cooperation of the media.

We expect that you will share this information with your concerned colleagues, as we are unable to address the scores of duplicate requests regarding the Watchtower Bible and Tract Society that are being directed to our offices. Thank you for your interest in the work of the United Nations.

Sincerely,

Paul Hoeffel
Chief
NGO Section
Department of Public Information

So if the Catholic Church is "guilty" before God of "Apostasy" because of being an NGO Supporter of the UN, then doesn't this also mean the Watchtower Society and all seven (7) million Jehovah's Witnesses have become (at least) a part of "Babylon The Great" because of their hypocritical, secret NGO Alliance with the United Nations Organization for close to 10 years??? -- Revelation 18:4
